Effective May 13, 2009, Satellite Industries and Five Peaks Technology agreed to terminate their distribution agreement, which gave Satellite the exclusive right to sell the Five Peaks product line. At this time, Ameriform Products is assuming the distribution role and will fill orders directly from customers.

We appreciate the opportunity to service customer requests, and you can expect little or no disruption in service or product deliveries. We appreciate your loyalty to our product lines, and aim to provide the excellent quality and service that you have come to expect.

Ameriform Products is assuming the distribution rights previously held by Satellite Industries or Five Peaks Technology, LLC. All warranty claims will be reviewed and evaluated on a case by case basis and addressed at our discretion. If you have a warranty claim, please provide the standard requested information to Ameriform, and we will respond to your inquiry accordingly.
